FROM THE FECHNER'S

H.I.S. BridgeBuilders is a movement of God uniting Christians across cities to transform urban communities through education, health, employment, and spiritual development for the Glory of God. The organization is a 501 (c) (3) originally established in Dallas, TX, more than 25 years ago. The ministry in San Antonio is in its sixteenth year.

In San Antonio, the work is centered in the near east side in an impoverished neighborhood, formerly the Wheatley Courts Housing Development area of the city. This apartment complex has been demolished and replaced with the East Meadows Apartments. The BridgeBuilders' children's work is at 339 Gabriel. We provide after school mentoring, homework support, and computer access for the children of the neighborhood. During the summer, we have a reading program to encourage the children to improve their reading, writing, and comprehension skills. In addition to 4 paid staff, this work is supported by hundreds of volunteers from many different churches and other organizations.

We have delivered fruit to approximately 5,000 people as part of our relief efforts. We have provided basic medical screening, women's health, vision testing, small job training activities, and monthly neighborhood-wide events, where we also provide clothing, live Christian music, and the presentation of the Gospel. Last year there were 60 professions of faith.

Seasonally, we provide back packs and school supplies, Thanksgiving food baskets, Christmas gifts, and other special items as needed by the neighborhood. We work with the Excel Beyond the Bell-SA and several of the local elementary & secondary schools, and the San Antonio Housing Authority (SAHA). At least 15 different churches have provided supplies and/or volunteers for the work that we do.

Your partnership and support is what allows us to continue the work we started in this community. We thank you for "playing" a role in our organization through the **2021 Michael Fechner Memorial Golf Tournament**.

Sincerely,

Ruben, Sandra & Mel Fechner
