 in
San Antonio, Texas

1 January 2023 – 31 December 2023

We want to praise our LORD for His amazing grace and kindness to HIS BridgeBuilders-SA in 2023. We were blessed by the many individual gifts as well as grants, spring dinner and golf tournament that provided support for the work. Also, we rejoice in the expansion of our home visitation and evangelism to the west side and to other parts of the city. The pavilion was put to great use as we have continued a weekly basketball program which reaches many young men. We are filled with excitement as we look forward to 2024 and what the LORD plans to do in our 18th year in the neighborhood.
