

NEWS LETTER

One who is gracious to a poor man lends to the LORD, and He will repay him for his good deed." Proverbs 19:17

Block Party Highlights

Our September block party was a great success! Over 100 residents and volunteers came out to participate and help at the event. We could not host these outreaches without our amazing volunteers. We especially want to thank the First Baptist Church of Universal City for coming out and providing worship and the gospel message. Four residents made a decision at the event!

Senior Ministry Opportunities

The BridgeBuilders senior ministry is currently in four communities: Wheatley, Parkview, La Chalet, and College Park. There is currently a regular Bible study at Wheatley that ministers to a large number of residents. We are interested in developing a men's Bible study at Parkview, and hosting weekly games and events as well. However, we need more volunteers to help facilitate this expansion. Finally, we are conducting a hygiene item drive for the seniors. If you are interested in volunteering or donating to help support our senior outreach, please contact Donald Walton, 210-296-8389.

Inasmuch as you have done it unto one of the least of these my brethren, you have done it unto me. Matthew 25:40

October Block Party

Saturday, October 4th will be our next Block Party in the East Meadows neighborhood. If you plan to come and help setup for the event, please arrive at 710 Arthur at 9:00 a.m. The outreach will last until noon.

Men's Bible Study

Wednesday morning, our Men's Bible Study meets to fellowship, pray, and study scripture. This group has been a faithful part of our outreach for many years, and we are grateful for their support and service! Over ten different churches are represented in the group, as we unite with Christians across our city. Volunteers from this group have helped at block parties, evangelism, work projects, our after school time, and more. If you are interested in being a part of this group and ministry, please contact Mel Fechner, 210-870-4676.
